Effectiveness

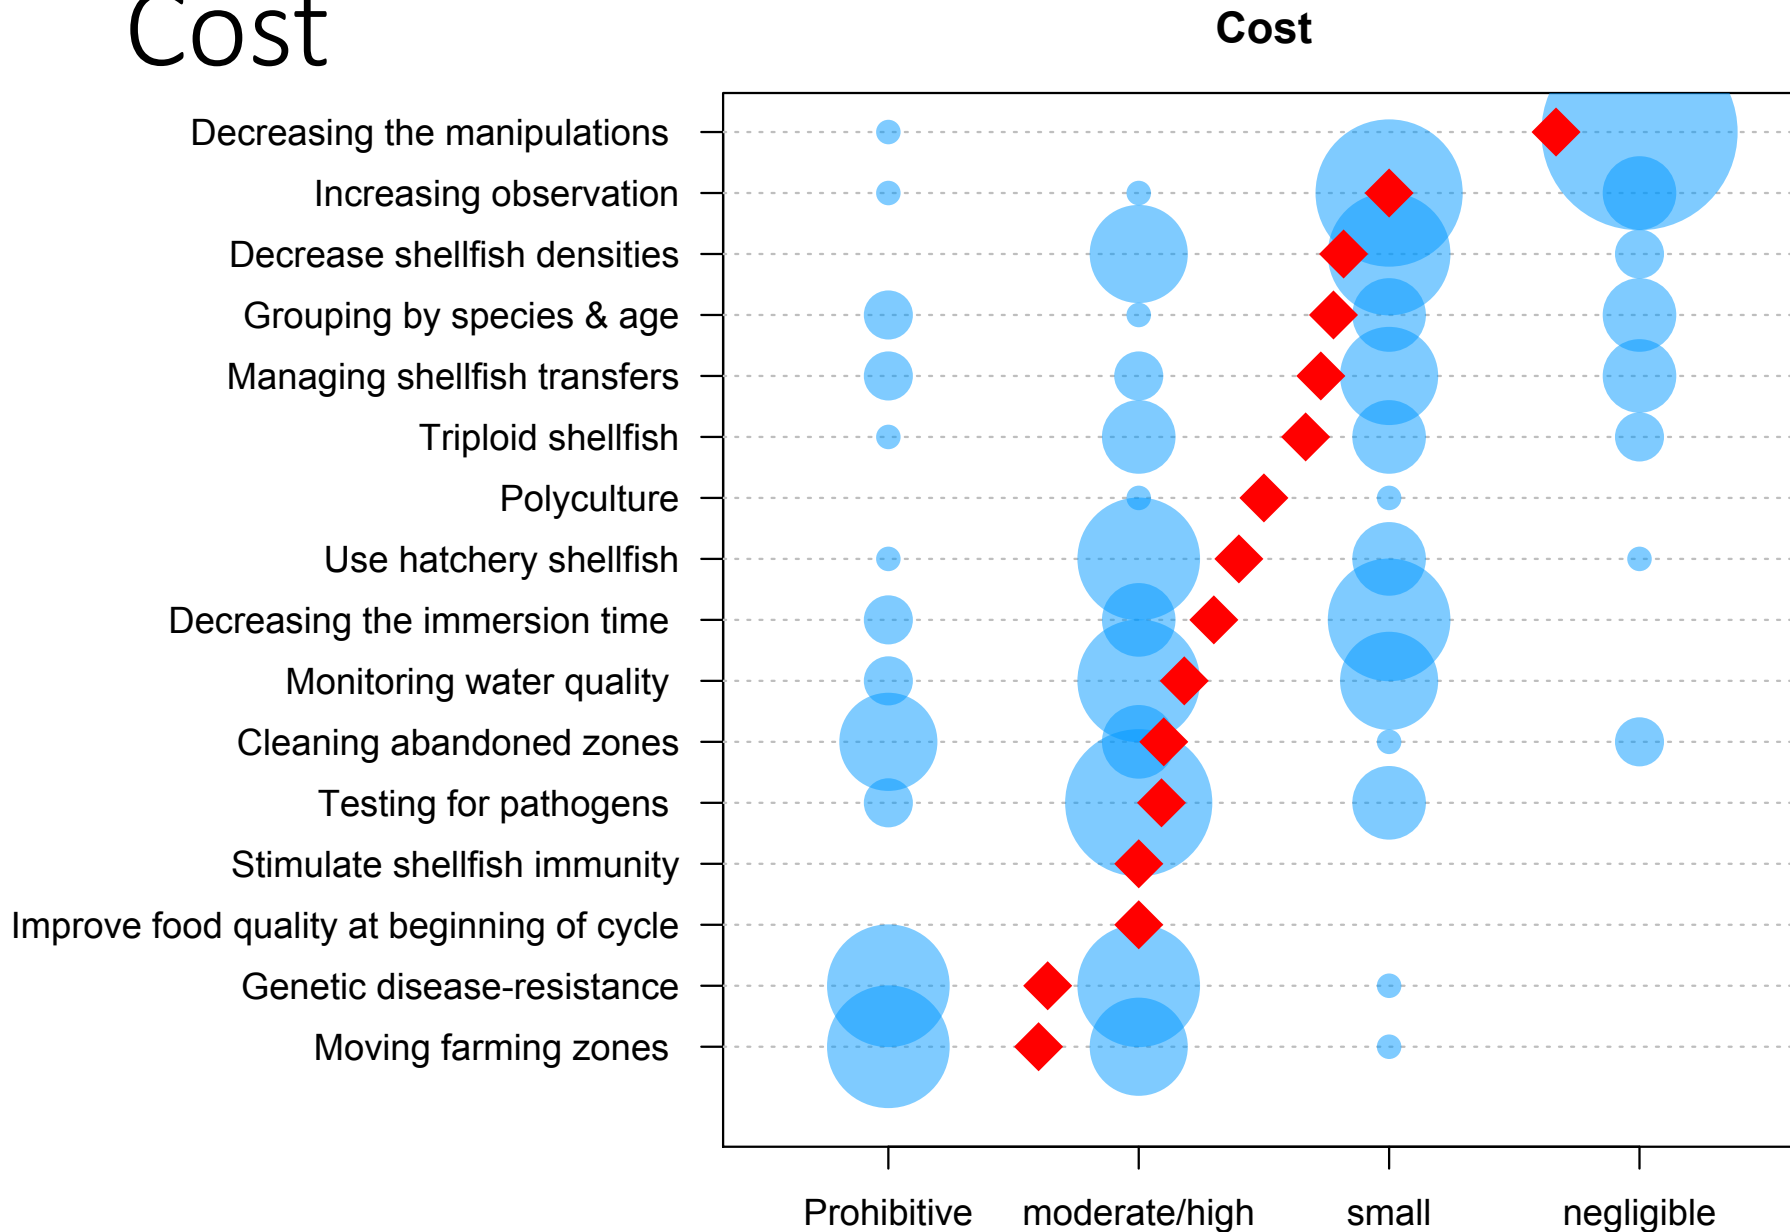

1 = most effective

Feasibility

Cost

Acceptability

Summary

Effectiveness

1 = most effective

Feasibility

4 = most feasible

Acceptability

4 = most acceptable

Cost

4 = lowest cost

Next steps...

- Data collection from stakeholders across Vivaldi-partner countries
- Workshop materials & training available if you would like to help!

With thanks to...

- Vivaldi consortium
- Funders - EU H2020
- The facilitators
- You -the participants!

(.... And apologies if you missed the coffee break!)
